Friday Updates Recreation and Culture

Customer Service

Fitness

The new year arrived and with no surprise so did the people! This first week of January has brought new and familiar faces to the cardio room, weight room and all of our classes. We have also had many inquiries about personal training.

The new team training classes, Hatha Yoga, yoga for basis back care and the youth dance classes all began this week with dance fit, tae kwon do and ballroom dance beginning next week.

With great anticipation, We have plans to re-open the aerobic room next week. The new floor and paint is beautiful!

Next week the fitness instructors will be attending several "Boxing for Fitness" workshops taught by certified boxing coach, Tom Hunsinger. We hope to be ready to offer this class soon to all age levels.
